TIME

SECURITY

Through eons of time man has sought *security*—for himself, his family, his community, and his country. This quest for *security*, molded into the first man created on earth, has had a rebirth with each succeeding generation. A *security* we have, as Americans, in greater abundance than any nation on earth, and cherish as priceless—yet this *security* has had its price—a price Americans have been paying since the first brave settler set foot on this continent, to be followed by future generations of rawboned pioneers, pushing back the frontiers of a vast unsettled wilderness.

Thus far in life you have been given *security*—as an infant by your mother's care—later by the warmth of your father's home, your church, your school, your neighbors, and now the *security* of a good start on life's journey, gained from a liberal education, in creditable schools, in a free land.

Now as you are being graduated, standing on a threshold of a journey through life, the *security* granted you in the past becomes one you must earn and protect for yourself, your family, and fellow Americans. The scroll of American history records for us the courageous men who have given their lives to preserve this *security*, and the countless others who devoted their lives to develop a system of free enterprise, so you—their descendants—might have the right to seek and earn further *security*.

The industries in your community contribute immeasurably to this treasure of American *security*. Perhaps one day some of you may, by your endeavors and association with one of these industries, contribute to the greatness of American *security* for all.

Foreward

We who are about to graduate wish to salute the stately elm which symbolizes so completely the pattern of our high-school life.

We are ourselves like the branches of the tree, each growing in his own way, making the most of every talent and opportunity. Our efforts and activities are like the leaves -- some green with hope, some brilliant in their beauty and maturity, some dull and lifeless. The administration, like the tree trunk, supports us and lifts us up to greater heights. As the tree draws nourishment through its roots, so through the inspiration and encouragement of our parents we gain strength to develop as individuals, who face the future with wisdom and courage.

In the years to come, may the memories of our elm tree continue to inspire us to a life similar in grace and beauty.

Dedication

We, the graduating class of 1953, dedicate our yearbook to the elm tree and what it represents in our lives.

May we always be reminded of the similarity of the trunk, the branches, and the leaves to our administration, ourselves, and our efforts and activities.

First Place Trophy
Mid-Western Conference

The Roxana Shells, under the fine coaching of Earl McLane, finished a successful season by capturing first place honors of the newly formed Mid-Western Conference. The Shells scored a total of 95 points to the opposition's 6, in defeating Madison 25-0; Cahokia 38-6; and Bethalto 32-0. In non-conference play Roxana was defeated by Jerseyville 33-13; and by Mt. Olive 32-13; but then came back with a decisive 33-0 win over Benld. Roxana's fourth quarter rally fell short as the Edwardsville Tigers intercepted a pass on their own 5 yard line and held on to a 6 point lead for a 27-21 victory. Roxana's first

homecoming was climaxed by a hard-fought 13-13 tie game with the Oilers of Wood River.

Captain Bob Hunter and halfback Stanley Donnahoe were chosen by their team mates as their most valuable lineman and backfieldman, respectively, and represented the team at the Alton Evening Telegraph Football Banquet. They were named on the All-District team. Donnahoe was also chosen as a back on the Little All-State third team. Stan set a new school record with a total of 1264 yards rushing, which is an average of 9.5 yards per carry.

GOOD GRID SEASON

The Freshman-Sophomore football team showed a great fighting spirit and a promising outlook for the future by racking up seven wins against only one defeat, which was by a one point margin to Wood River. This spirit added to their unquestionable playing ability will prove most valuable to the forth coming varsity football team.

THEY CONQUER WHO BELIEVE THEY CAN

The Roxana cage quintet, under the capable coaching of Ed Atkinson, added three trophies to the school during the 1952-53 basketball season while enjoying an over-all record of 22 wins and 8 losses. In the Madison County Tournament at Alton our Shells successfully worked their way to the Championship game by beating Granite City, 72-62, and Alton, 57-39. However, Madison defeated Roxana, 68-54 for first place honors and Roxana was content with a second-place trophy. This loss was avenged later in the Dupo Tournament when Roxana defeated Madison in the finals, 70-54, after beating Sparta, 72-65, and Dupo, 44-42. In regular season play Roxana had a total of 14 wins against 6 losses. One of the highlights of this year's schedule was in downing the East St. Louis Flyers on their home court by a score of 51-50. The Shells emerged victorious in the State District Tourney by whipping Lincoln of Venice, 82-50, Lovejoy, 67-51, and the favored Troy Trojans in the play-off by a score of 59-44. In the first round of the Regional Tournament which was held at Collinsville, Alton eliminated Roxana by a seven point margin, 61-54.

Dick Harbke, the Shell's 6'4" center, was chosen by his team mates as their most valuable player. Dick scored a total of 524 points which gave him an average of 17.5 points per game. His shooting percentage was .411, a result of 202 baskets in 491 tries. Dick represented Roxana well in the area contest held in April.

SUCCESSFUL FIRST SEASON

In its first year at Roxana, the Cross Country team, under the able coaching of Herb Thompson, finished a successful season by placing second in the Mid-Western Conference. Although the team was handicapped somewhat by having a young team with only one senior earning a letter, the experience they gained this year will prove very valuable in producing an even more successful team next year. Roxana captured second place in the Mid-Western Conference largely through the efforts of Dave Schmittling who won the 1.6 mile race in a time of 7 minutes and 36 seconds.

The conference standings were:

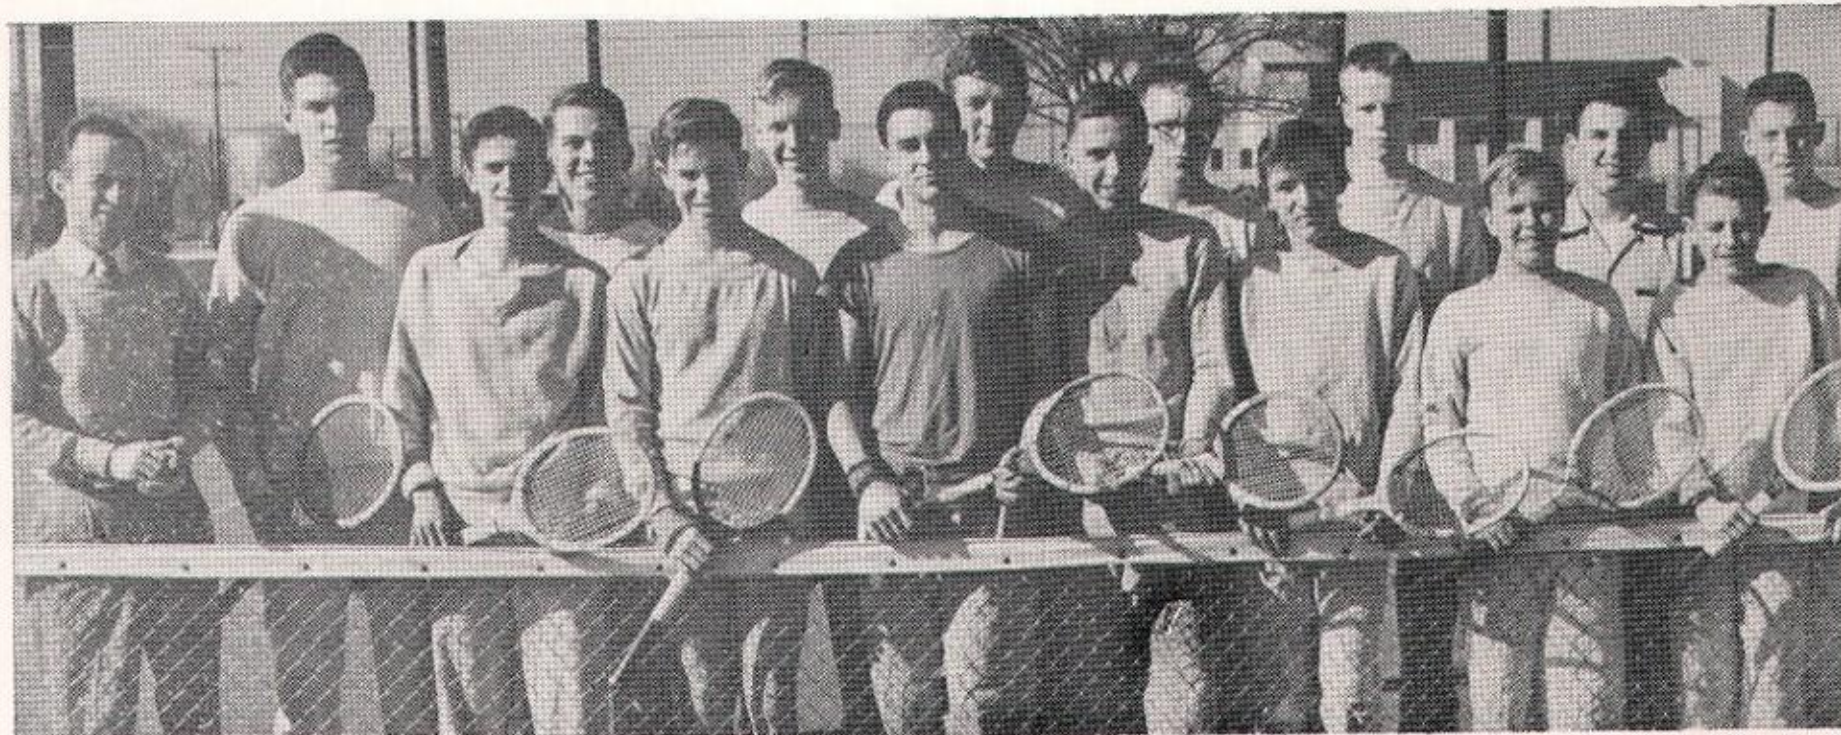

Bethalto
Roxana
Highland
Cahokia
Madison
Greenville

Letter winners were:

Harold Redenbo
Dennis Reed
Delbert Walmsley
Melvin Arnold
Ray Kidd
Harry Rodebaugh

Marvin Howell was manager.

 Bottom Row: Bill Hunter, Jimmy Blaine, Gene Morgan, Lyle Stone, Russell Dillow, Pat Slayden, Sidney Frey, Richard Brown, Jimmy Walker, Dick Harbke

The biggest event for the "R" Club this year was the Homecoming. It was a gala three day event which included the crowning of the Homecoming Queen, the Roxana-Wood River Football game, and the Coronation Dance held in honor of the queen and her maids. A one-act play, "Never No Third Degree", was presented by the members of the "R" Club on the night of the Queen Coronation.

The members planned an All-Sports Banquet in May. This event was the first of its kind in Roxana High School.

As has always been the usual procedure, awards were given to the most valuable player in each sport for the past year. In addition, an award was given to the boy who was chosen the most valuable player in all the sports for the year.

Mr. McLane was the "R" Club sponsor.

The Girl's Athletic Association was organized in 1941 under the supervision of Miss Mariam Nicholas. The present sponsor is Miss Elizabeth Corbin.

G.A.A. sponsored twelve American Junior Bowling Congress teams which began bowling in November and continued throughout the month of March. The students bowled every Tuesday after school.

The girls gave dancing lessons in the spring in order that the boys around RCHS might be ready for the annual Junior-Senior Prom. This also proved to be a successful project.

Membership for the school year 1952-53 totaled fifty.

The officers were: President, Sharon Haller; Vice-President, Jo Buck; Secretary, Valerie Rodebeaugh; Treasurer, Laura McBride.

The Future Homemakers of America doubled their membership this year, 1952-53, with a total of forty members.

The girls gave a style show this fall and they served as models. The clothing was furnished by the Dixie Shop in Wood River.

In order to increase their funds, the FHA girls had a "Hobo Day". On this day, they did different odd jobs about the village.

March 26, the Mother-Daughter Banquet was held at the High School. At this banquet the new officers of FHA were initiated.

The 1952-53 officers were: President, Jo Buck; Vice-President, Carol Darner; Secretary, Raye Ellen Jackson; Treasurer, Shirley Stewart; Historians, Jill Titsworth and Willene Collman; Recorder, Joan Walker. The Section President is Alice McKenzie. The sponsor of FHA is Mrs. Paynic.

Band

The Roxana Community High School Band had a record enrollment of seventy-one members this year. This band was probably the best one in the history of this high school.

The band played for all the home basketball and football games and was enjoyed by the students in the pep assemblies. By special invitation the band made the trip to take part in the Homecoming Parade of Southern Illinois University at Carbondale. The band was also honored with the privilege of leading the Halloween Parade of the

East Alton, Wood River, and Roxana area.

The Roxana High School Band is very fortunate in being backed by a newly formed Band Parents' Association.

Mr. LeRoy A. Dalhaus, the band director, has done a glorious job this year, as well as many years previous. If this year's work is any indication, he will be directing an even better and bigger band next year.

The officers of the Roxana High School Band are: Wayne King, President and Band Representative; Valerie Rodebaugh, Vice-President; and Willene Collman, Secretary.

- Top Row: Director, LeRoy A. Dalhaus, Zola Clark, Wayne King, Willard Winstead, Gene Grant, Eddie Jacoby, Tom Fields, Richard Hambleton, Ray Kidd, Ronnie Shult, Janet Manns

Chorus

The Roxana High School Chorus, under the direction of Mrs. Halford, has been quite busy this year.

The main event was an operetta entitled, "Love Goes South". Leading roles were played by Bonnie Sanders, Richard Hambleton, Wayne King, Alice McKenzie, Melvin Pijut, Mary Weihe, and Bill McKenzie.

At Christmas time the Chorus gave a candle light cantata. The members of the Chorus also sang two selections at Alton State Hospital and entertained at the school assembly during the Christmas holidays.

A new schedule arrangement this year made it possible for the Chorus to meet every day.

This spring the Chorus attended the annual festival at Dupo and had the opportunity of singing a number of selected songs, with over a thousand students from the schools in this locality.

The officers of Chorus were: President, Bill Roberson; Secretary-Treasurer, LaWanda Sanders; Librarians, Christina Betts, Louise Wood, and Carolyn Price.

The accompanist was Marion Carter.

Top Row: Melvin Pijut, Bill Roberson, Jack Smith, Bill McKenzie, Marvin Howell

Standing: Eunice Kirkpatrick, Bill McKenzie, Bill Hunter, Josie Lowe, Jim Evans, Marvin Howell, Greg Robertson, Laura McBride, Valerie Rodebaugh, Ronnie Clayton, Jo Buck, Jane Frey, Sharon Haller
Seated: Ruth Gail Reichert, Phyllis Hamilton
Also Member: Helen Willeford

The Student Council of this school year was very active. The members planned many interesting and enjoyable activities and projects. Three of the members, Jo Buck, Jane Frey, and Sharon Haller attended the Collinsville District of Student Councils convention at Carmi, Illinois, October 25.

On November 22, members of the Student Council sponsored a Sadie Hawkins Dance. This event featured square dancing, social dancing, a talent show, and prizes for the best costumes.

In December the Student Council furnished a nice Christmas tree for the school. Showing true Christmas Spirit the members sent a gift to Shirley Dain, who is in the Tuberculosis Sanatorium in Edwardsville.

In order to decrease the crowded condition of the halls during the fourth and fifth periods, the members of Student Council provided recreation in the gymnasium these hours.

The Student Council provided the committee that started the work on the March of Dimes assembly program. The members also planned a skating party early in the spring.

Officers were: President, Phyllis Hamilton; Vice-President, Ruth Gail Reichert;

Secretary-Treasurer, Helen Willeford. Mr. Huck was the Student Council sponsor.

TRIMMING THE TREE

Thespians

Standing: Ralph Freeman, Maurice Toner, Gary Robinson
Seated: Shirley Walmsley, Ruth Reichert, Katherine Andrews

The Thespians participated in many activities this year.

The one-act play, "Never No Third Degree", was presented at the homecoming ceremonies in cooperation with the "R" Club.

The two-act operetta, "Love Goes South", was presented jointly by the Chorus and the Thespians.

On March 13, the Thespians presented a one-act comedy, "It's Cold in Them Thar Hills", at an afternoon assembly. The student director of this play was Alice McKenzie.

The Senior Play, "Doctor's Orders", was given on April 10 by the Speech Class and Thespian members.

New members were initiated in the spring.

Quill and Scroll

PLEDGING THE NEW MEMBERS!

The National Honor Society is a school organization for outstanding students in the Junior and Senior classes of the high school.

Membership in this chapter is based on scholarship, service, leadership, and character. The number is limited to ten per cent of the Senior class and five per cent of the Junior class.

The members took care of the files for scholarships for the office.

The old members gave a banquet in honor of the new initiates in the spring.

Roxette Staff

- Standing: Linda Hill, Jo Buck, Carol Darner, Shirley Stewart, Ella Jean Farthing, Sharlene Coontz, Raye Ellen Jackson, Mary Ellen Jordan, Barbara Richards, Nancy Lockart, Pat Ellis, Dollie Dietzel, Rita Hanfelder, Melva Strohbeck, Josie Lowe, Shirley Ewens, Bobbie Jones
- Seated: Valerie Rodebeaugh
- Also Members: Willene Collman, Mack Weiss, J.S. Freeman, Carole Bagent, Sharon Stagner, Shirley Frazer, Janet Manns, Marilyn Stearns, Martha Figy, Jim Fair

The Roxette Staff, under the supervision of Miss Lucille Dintleman issued the school newspaper once every two weeks during the year 1952-53.

The staff had, first of all, to collect all of the news material. Then they wrote their articles in interesting form and gave them to the members of the Secretarial Practice Class who did the typing and mimeograph work.

The Editor-in-Chief was Valerie Rodebeaugh, Associate Editor, Shirley Ewens; Art Editor, Carol Darner; Sport Editor, Bobbie Jones; Feature Editor, Sharlene Coontz.

Valerie Rodebeaugh and Carol Darner were elected to the Quill & Scroll Society for their outstanding work on this newspaper.

The Roxette was greatly enjoyed and appreciated by all the students of R.C.H.S.

Rox Staff

Standing: Gary Robinson, Mary Lovell, Helen Willeford, Wayne King, Jill Titsworth, LaVeda Hay, Lela Barton, Joyce Major, Phyllis Hamilton, Norma Doerr, Joan Cobine, Eunice Kirkpatrick
Seated: Ruth Gail Reichert, Toni Trosley, Katherine Andrews

The members of the Rox Staff were chosen in September and were kept busy throughout the entire school year.

The staff greatly appreciated the fine leadership, guidance, and assistance which Miss Dorothy Abberley, sponsor, and Mr. Harold Huck, photographer, so willingly gave.

The Editor of the 1952-53 Rox was Katherine Andrews; Managing Editor, Ruth Reichert; Photography, LaVeda Hay; Classes, Norma Doerr, Lela Barton, Joan Cobine; Sports, Phyllis Hamilton, Gary Robinson; Activities, Toni Trosley, Helen Willeford; Organizations, Jill Titsworth, Wayne King; Advertising Manager, Mary Lovell; Typing, Joyce Major. The art work was done by Katherine Andrews.

Homecoming

The Alumni Association established a splendid precedent in the school year 1952-53 by organizing what we hope was the first of many Homecomings. This Homecoming, which received assistance from the "R" Club and the cheerleaders, lasted from October 23 through October 25.

The festivities began at 8 p.m., Thursday, October 23, with the "R" Club's presentation of the one act farce, "Never No Third Degree". Following this play, Miss Joan Walker, escorted to the throne by Mr. Richard Harbke, was crowned Varsity Queen. Her attendants were Miss Katherine Andrews, escorted by Mr. Robert Hunter, Miss Eunice Kirkpatrick, escorted by Mr. Gary Robinson, Miss Mary Lovell, escorted by Mr. Stanley Donnahoe, and Miss Joy Witt, escorted by Mr. Ralph Freeman.

After an early dismissal Friday afternoon, October 24, the students were lead by the band and the Queen and her court through the streets of Roxana. The parade wound its way back to the football field where an out-door pep session was held. That evening, the Roxana Shells met the Wood River Oilers in a struggle which ended in a 13-13 tie. The spectators were entertained before the game by the Roxana High School Band and the American Drum and Bugle Corp, Post 126, of Alton; Miss Norma Helwig twirled during the half-time intermission.

Homecoming activities were drawn to a close by an Alumni Dance, October 25. Otis Berry and his orchestra played for the dancing. The auditorium of the Community Building, where the dance was held, was decorated in the school colors.

All in all, we can but hope that the Homecoming next year, and all the years to come, will offer as many enjoyable memories as this year's Homecoming.

Petroleum now supplies more than one-third of all the energy produced in the United States...energy to turn the wheels of industry, to move cars, planes and ships and heat homes • As petroleum has become more important to twentieth century progress, demands for it have increased tremendously • To meet the nation's mounting petroleum requirements, scientists at Shell's great research laboratories are constantly striving to find new sources of oil...to make our present ones more efficient...and to develop ways of stretching supplies to the limit • Shell Research is geared to the task of making finer petroleum products by new and better methods.

N.H.S. Inducts Ten

It will be a long time before a 7" white candle holds as much meaning for ten people as it did on Tuesday, March 6. This was the day the National Honor Society added five seniors and five juniors to its distinguished list of high school students. Those handed the flaming candle of scholarship, leadership, character, and service were: Ronnie Henson, Dave Roberson, Marvin Howell, Terry Durham, Pat Denny, Dale Dickerson, Kenneth Schubert, Gail Ellis, Sheila Grandfield, and Iris Lipoldt.

To be elected into this Society is the greatest honor that can be bestowed on a high school student. To qualify for acceptance into the N.H.S. a student must rank in the upper third of his class. However, scholarship is but one-fourth of the qualification necessary. A student must also display his ability to lead others in the right direction--character built on the cornerstone of honesty--and a willingness, in matters of trivial or great importance, to help others to the best of his ability.

THE ROXETTE wishes to congratulate the new members and impress upon all the thought that good citizenship is not the privilege of the few but the obligation of the many. If today's youth exemplifies the characteristics imbedded in the flame of a National Honor Society candle, than tomorrow's world has no alternative but to fulfill the dream of mankind and give us that which we now only dare to whisper in hushed tones--PEACE!

English Class Essays

Miss Legate's English classes are busy as a bee. An essay on "America--Beacon of Hope" sponsored by the Women's Auxillary was a thousand words and took up quite a bit of the class' time. Books are now scattered all over the room with titles such as John Adams, Abigail Adams, and What Every Citizen Should Know About the Merchant Marine.

On Thursday, March 8, two men talked to the classes on the American Merchant Marine. Talks have been made by members of the class on all essays. The essays the classes are now working on are--"John Adams," a five-minute oration sponsored by the Chicago American Newspaper, and "The American Mer-

chant Marine--Key to Trade and Defense." Later on, the Bonnie Buttered Beef Steaks is sponsoring its annual essay contest which this year is to be on "America's Heritage." The 2nd, 3rd, and 5th hour classes are working on these essays.

Some of the kids have really benefited from these contests by winning them and taking the prizes. Most of the prizes are either money or scholarships. The one on the Merchant Marine is for trips to different places of the world. Let's keep an eye on these classes and watch them win again!

Honor Roll

The honor roll for the fourth sixth weeks is out again. It looks as if the seniors are really on the ball. They had more on the honor roll than any other class. The classes come in order after that with juniors second, sophomores third, and freshmen fourth.

The freshmen had more on the high honor roll than the rest of the classes. Those who made it were--Martha Hutchinson, Terry Johler, Lois Johnson Margaret Lipperd, Rosalie Pearson, and Pat Thompson. The sophomores were Sylvia Gebelein, Larry Leamy, Edith Lockwood, Katy Norvell, and Anita Anglin. The juniors were Revonda Archer Gail Ellis, Donna Isted, Tommy Roe, and Kenneth Schubert. The seniors were Carrol Hinkle, Carol Larson, David Weiss, and Mary Willmirth.

The ones who made all "A's" were--Martha Hutchinson, Terry Johler, Rosalie Pearson, and Pat Thomson--freshmen; Katy Norvell and Anita Anglin--sophomores; Revonda Archer and Kenneth Schubert--juniors; and Carrol Hinkle--senior.

Let's see if next time we can't have even more on both honor rolls.

It's In the Air

If by chance any of our conscientious R.H.S. students have found time between all their activities to take notice of the out-of-doors, they would realize that the funny-looking bird tugging away at a worm is not just standing there for his health but advertising that spring is here at last.

According to a group of "junior bird men", the arrival of spring is coming earlier each year. One of the professors said that we would have to omit February 29 for over 40 years in order to straighten out our calendar so that it ends according to the sun.

As everyone knows, spring is the time when our high school begins to lag behind because everyone is anxious to "escape." (Especially Mr. Tschanen's 3rd hour typing class who are supposed to be learning more nature.)

So since I'm itching to leave--Byee!

Through the Keyhole

Hi! Here we are again:

Well, Twirp Week has come and gone with some pretty pleasant results. It started with a bang on Monday morning with an assembly that featured what life would be like "If Girls Ask Boys for Dates." (Hey Dave, is Kay always that fresh???) This seemed to have succeeded in awaking some of the girls because they got on the ball and rounded themselves up a date.

Tuesday morning there was a big commotion in the halls as all the girls were trying to draw a name to see what lucky boy they would get to walk to class. This seemed to make a hit with the guys—fellows, where did you dig up all those books??

Twirp Week ended with a big dance. We saw a lot of new couples.

To start off there was Barbara P.--J.S.F., Shirley M.--Melvin P., Carol M.--Don Leady, Jackie M.--Dick G., Reba W.--Frank D., Jeane S.--Ronnie H., Judy P.--Larry H., Barbara R.--Larry L., Janet T.--Terry L., Sue H.--Leon C., Jenny H.--Mike L., Roberta H.--Dale D., Jim D.--Carolyn D., Bonnie B.--Benny B., Wilda M.--Bob B., Rosie L.--Newton T., Janice T.--Ray K., Mona C.--Greg R., Brenda L.--Clinton L., Marion G.--Bob G., Joyce H.--Don S., Gloria L.--Felton B., Alice W.--Bob D., Anita A.--Marvin H., Barbara E.--Curtis C., Beth U.--Bob J., Carolyn T.--Pat H., Pat T.--Steve L., Donna P.--Bob S., and many others.

Hey Greg! What was that mysterious phone call about that you got while you were at the Twirp Dance???

We've been wondering what happened between Denean A. and Ethel S.???

We see Carol M. and Don L. together quite a bit lately!!! What can this mean???

Hey Rosie! What did you do with your hose the night of the Twirp Dance??? Humm-mm???

Apparently a bunch of boys seemed to have been hunting for Lois's house the other night! How come???

Hey Beth! What is this that Mr. Reed is always accusing you of?? Better watch your step!!!

Humm-mm, congratulations Anita! It seems that that red dress did the trick.

Poor Diana! Mr. Syfert really doesn't dislike you.

If you want to see some puzzled brows, just peer in the personal typing class some time. It's a riot!!!

Alice W. and Pat T. got their long locks cut off. It really looks cute, kids!

Hey boys, betcha you didn't know we were becoming ballet dancers??? 1-2-3 1-2-3, 1-2-3, turn???

That seems to be all that we could dig up this time, but be careful, we're peering at you!

By the way Jenny, where did you get your nickname??? We understand Brenda has a rather cute one too.

It seems that Judy P. and Larry H. have decided to call it quits!

Say Jeane, who's this "Dink" we hear you talking about all the time??? It seems that you wound up going steady! Congratulations are in order.

We hear that Rogers seems to be getting some pretty steady mail from the Army!

What's this we see? Jim D. giving shy smiles to S.H.???

Everyone has been pretty baffled about all this gossip that has been flying around. It seems that somebody must have got mixed up along the way.

It seems that Dick G. has been having a little trouble making up his mind.

Rosie—how you've grown since your last birthday! Bigger!

Question: What would you do if you only had an hour to live?

1. Iris L.--Kiss all the boys.
2. Anita A.--Live it up
3. Bud A.--Go over to Gale's
4. Janet B.--Boy would Earl and I live it up!
5. Tom L.--Kill myself
6. Dale D.--Stand on the flag poll of R.H.S. with nothing on.
7. J. S. Freeman--Find a pretty girl that wasn't doing anything.
8. Pat K.--I'll have to think about it. (Hurry up, Pat!)
9. Beth U.--I don't think you should put it in the paper. (Hum! What about that Beth?)
10. Marian G.--Ride around in my pink thunderbird.

Can You Imagine?

1. Carrol Hinkle.....without a smile?
2. Howard Heffner.....not dancing?
3. Judy Kay Willis...without glasses?
4. Ronnie Henson-with a clean locker?
5. Sheila Grandfield.....not neat
6. Larry Longman.....without his car?
7. Pat Thompson...without spit curls?
8. Mr. Huck..without his tardy slips?
9. Shirley Mitchell...with her mouth closed?
10. Bob Janssen....without his sports?
11. Sherryl Pitt....with black hair?
12. Bob Buchannen...without a new car?
13. Mr. Reed.....not saying, "Well?"
14. Barbara Rodgers..without her comb?
15. Kay.....without Dave?

It's Different

If you were watching television Sunday night, March 4, at 9:30 and you were tuned in to Channel 5—you heard some real weird music called progressive jazz. The Laclede Gas Co. featured a 3-part Jazz Festival. The first part was Subtle Sounds, the second part was Progressive Jazz featuring Dave Brubeck, and the third part was Dixieland featuring Muggsy Spanier.

Many people were undoubtedly at first skeptical and others completely certain that whatever it was, it definitely wasn't for them! However, as with so many things, first impressions are often a very inadequate way of forming opinions.

Progressive jazz is when a musician starts off with the bare melody of a song and then improvises and plays just what he wants to and feels until he ends up with something different. Dave Brubeck said, "I feel we will be a success when all four of us can improvise as one."

Jazz is one of the really truly American forms of music. The followers of this type of music may be few but one thing is certain, they certainly are loyal!

Next time you haven't anything particular to do, why not give a listen to this "Different Music?" Who knows, you might learn to like it.

Just for Seniors

Located in the southern part of Illinois at Carbondale is the University of Southern Illinois. This growing institution of higher learning emphasizes sound education, research, and practical area services. Southern excels in consultative and advisory facilities in agriculture, business, community life, industry and recreation.

The total estimated yearly average expense is quite reasonable. With tuition and fees, room rent, food, clothing, and miscellaneous all included, the cost is approximately \$900.

All male students entering Southern as beginning freshmen are required to enroll in the basic Air Force Reserve Officer's Training Corps. Upon graduation, students who have successfully completed four years in AFROTC will be commissioned Second Lieutenants in the United States Air Force Reserve.

Giant City, popular state park, is situated in the beautiful Southern Illinois Ozarks south of Carbondale.

Anyone interested in attending this University, see Mr. Huck for further information. It should also be emphasized that now is the time to send in your application to the college of your choice. Don't wait till the last minute; you might not receive your acceptance!

Behind the Scoreboard

Well it seems that track is here a-
 gain. Everyone is out taking advan-
 tage of the spring-like weather to get
 in shape.

This year the RHS cinder-men are
 looking forward to a profitable sea-
 son. Most people will ask how, or
 better yet, who is going to be good e-
 nough to give us a winning team. There
 is an answer to this question, but it
 doesn't come out in singular case. You
 see, track, or rather a track team,
 doesn't depend on one man for a vic-
 tory. It is the total score that
 counts; you don't have to have a power
 house in every event; you don't even
 have to win a first in every event;
 the seconds and thirds have produced
 a victory in many a meet.

But the firsts help; a lot of guys
 are training hard right now to give us
 some firsts. Take notice of these
 guys in these events: Bob Goodhart--
 hurdles, Warren Steffen & Larry Long-
 man in the dashes, Sitzes & Langhaug--
 the 880, and Skundrich in the mile. In
 the field events, watch Dreon in the
 discus, Lawrence in the shot-put, Gid-
 dings in pole-vault, Steffen in broad-
 jump, and Goodhart in high-jump. From
 this crew we may get our firsts, but
 don't forget the seconds and thirds.
 I can't tell you who to watch for in
 these places, so come out and see for
 yourself. SUPPORT THE TRACK TEAM!

Your Lucky If You Can

On Thursday, March 8, I "accident-
 ly" attended a PTA meeting. I had no
 intention of leaving the house this
 particular night, but a friend who
 wanted to go but had no means of
 transportation called with the hope
 that I might be planning to attend.
 Having no definite plans for the even-
 ing, I volunteered to go. I certainly
 didn't regret my decision.

I was, for lack of better words,
 entertained and amazed by student rep-
 resentatives of a school in Jackson-
 ville. There is nothing particularly
 different about this school--the stu-
 dents have their dates and basketball
 games. However, there is a definite
 distinction. These same teenagers with
 their crew-cuts and penny loafers are
 deaf!

Deaf--it's a harsh and often mis-
 understood word. To a prejudiced em-
 ployer, it's often an abbreviated way
 of saying, "Sorry, we can't use you."
 To the average uneducated person, it's
 simply a term looked upon with pity
 and sometimes contempt. But to the
 only ones who would be allowed to have
 prejudice or pity--to the deaf them-
 selves--their handicap is accepted in
 the same manner you accept your brown
 hair or blue eyes. If you happened to
 be in the line distributing the brown
 hair, you aren't unbearably bitter
 simply because you like blond better.
 You accept it as an uncontrollable
 factor and make the best of what you
 have.

The deaf do the same. They take
 the raw material which they were hand-
 ed and with unending patience and dil-
 igent perseverance they manage to
 polish it and shine it until they get
 the best they can out of their crude
 beginnings. It is often a seemingly
 impossible job. For instance, one of
 the students happened to be a DP from
 a foreign country. As if being deaf
 were not handicap enough, this girl
 when she arrived in America knowing no
 English, had to learn to read American
 lips saying American words--a rather
 difficult task, don't you think? How-
 ever, this obstacle was but a means by
 which she strengthened her determina-
 tion. She is now overcoming the seem-
 ingly impossible and is able to con-
 verse both in her native tongue and
 that of her adopted land.

This is but one of the examples of
 the fortitude present in these teen-
 agers. A rather useless and unimport-
 ant feeling rushes over you when you
 see the deaf. Suddenly you realize
 that it is perhaps we who have the
 handicap--we have but a small portion
 of all the patience, courage, and sta-
 mina exhibited by these youngsters.

* * *
 It takes very little to capture
 a man's imagination--especially when
 the right girl is wearing it.

Teachers' Spotlight

In the "Teacher's Spotlight" this
 issue we have our dark-haired, dark-
 eyed French and World History teacher,
 Miss McOann. She received her A.B.,
 Masters, and Advanced Certificate in
 Education degrees from the University
 of Illinois. Her hometown is Jackson-
 ville, Illinois. Well-liked by both
 faculty and students, she is sponsor
 of the Student Council and Citizenship
 Education Projects. What leisure time
 she has is spent playing golf and
 bridge. Miss McOann lists "steak" as
 her favorite food. She likes Glenn
 Miller's smooth music and her favorite
 TV show is the "Perry Como Show." Her
 pet peeves are "idle gossiping and re-
 peating false rumors." In Miss Mc-
 Oann's opinion "what our school needs
 most is a new auditorium and cafe-
 teria."

Next we have the answer to the sud-
 den interest in biology and chemistry
 at R. H. S. It is Vernon Matthews--
 brown hair, and blue-gray eyes. Mr.
 Matthews received his A.B. degree from
 S. I. U. He attended U. of I. for one
 year. At present he is working on a
 Masters degree at S. I. U. He was in
 the Navy during World War II. "Shrimp
 and chow mein" are his favorite foods.
 He enjoys listening to Stan Kenton
 and Nat King Cole. Mr. Matthews spends
 leisure time at the science club (this
 is leisure time?) fishing, and just
 out-of-doors. On T.V. he likes "Father
 Knows Best." Mr. Matthews is a native
 of Roxana, and he lists as his pet
 peeve "crude manners here at school."
 (We agree) He would like to see Rox-
 ana have a "large active science club
 and a better cafeteria."

Notes and Sharps

Are you one of those bewildered
 students who have been wondering why
 certain R. H. S. people sing "Some En-
 charmed Evening" and "Oklahoma" while
 touring the halls to unknown destina-
 tions? If so, it's plain to see that
 you don't belong to chorus. That "un-
 known destination" is a room way down-
 stairs where very interesting things
 are going on. To save you from con-
 stant worry and curiosity, I'll tell
 you all about it. All of the choruses
 --boys, girls, and mixed--are working
 hard to make the annual "Spring Sing"
 a big success. This year's program
 will include selections from well-
 known musicals such as "Oklahoma,"
 "South Pacific," and "The King and I."
 Remember, this event will represent a
 lot of toil and hard work from all (we
 hope) the chorus members. Such labor
 deserves reward--let's hope everyone
 buys a ticket and comes out for an en-
 joyable evening of song. Don't be con-
 tent with the samples you get in the
 halls!

In the Spotlight

Just to make it different, we're starting with the freshmen (We don't want to give them complexes, ya know!) As the "frosh" girl we are starring Pat Thomson. Pat has dark brown hair and deep (Oh! how deep!) blue eyes. Her favorite food is hamburgers without onions (here's hoping this doesn't put Clorets out of business!) Rhythm 'n blues rates as tops with Pat along with singer Al Hibbler. Get a load of this you "Kool Kats"—her favorite song is "Cold Chills." Already having the beauty part, Pat also convinced us that she must also have the brains when she listed Algebra as her favorite subject. (Some kids have all the luck!) A fan of all sports, Pat is particularly fond of football. In her spare time she likes to listen to the radio (this kid's got to go) and to read. After finishing high school, Pat says, "I haven't made up my mind yet but one thing is sure, I want to get married!" (We second the motion!) Pink is the color which she considers as her favorite. Her pet is a parakeet by the name of "Perky"—sounds energetic, doesn't he? As for pet peeves this "frosh" says, "I don't have any, really!" As for a secret ambition, Pat revealed that it was "to look good in a bathing suit." (We guess that this is every girl's secret desire!)

Taking the next step up, we star as the sophomore subject, John Pruitt. John, who is 5'11", has brown hair and irresistible blue eyes. The old traditional fried chicken dinner is chosen by John as his favorite food. The "Bob Cummings Show" is at the head of Johnny's television schedule. Rock 'n Roll music is tops with John as it is with most of the kids around R. H. S. Elvis Presley is his favorite singer, and "Teen-Age Prayer" is the current favorite song with him. Marilyn Monroe and Jane Russell are his very favorite movie stars. Johnny related to us that his favorite hobby and pastime is girls! (We've come to the conclusion that this guy has the makings of a "wolf.") That all-time favorite, blue, is the favorite color of John. His pet is a dog by the name of "Bing" (At the risk of being corny, we'll ask—any relation to Gary?) John's pet peeve is "gripping girls"—who would gripe about this guy??? His favorite subject in school is math in general and geometry in particular. (Another brain!!) Football and wrestling—he received a letter for both—are his favorite sports. After school Johnny plans to attend college or enter the Air Force. For his secret ambition, he confided that he'd like to make a career of the Air Force.

Next in our climb to the top we present our junior for this week, Francis Helmkamp, better known as "Frankie." Frances has light blue eyes with gray flecks, and her hair is soft brown. This, with a height of 5'7", makes her

very good model material. (Be seeing ya in "Seventeen!") Those favorites of all, Academy Award Nominees, the late James Dean and Grace Kelly rate first with Frankie. Modern jazz along with singers Jean Christie and the Blue Stars are, in her opinion, the "bestest" in the music field. The current favorite, "The Poor People of Paris," is among the songs Frances considers tops. Very active in such school activities as Pep Club, G.A.A., Chorus, "Roxette," and Thespians, Frances has little time left to devote to television—but when she does, "I Love Lucy" is at the top of her schedule. She listed shrimp (this seems to be a growing favorite among some of the R. H. S. students) as her favorite food. A loyal spectator of all sports, Frankie especially enjoys basketball. Her hobby, at which she shows real skill, is dancing. As you have probably already guessed, her pastime is Bob. Here, we might add that Frances said her ambition is to marry a millionaire (What do you think about this, Bob?) After much probing, Frankie finally revealed that her secret ambition is to be a—get this—burlesque dancer! (Well, that's a new one!) In conclusion, her answer to our question, "What is your pet peeve?", was nosey people. (Humph! Is that a hint???)

Reaching the top of the summit we bring you Terry Durham, a versatile senior boy. Terry, who is 6'3/4", has "hazel-green" eyes, and reddish-blond hair. Terry, an outstanding basketball player on the Varsity team considers that as his favorite sport. Steak, the one food which never wanes in popularity, is Terry's favorite food. Although Terry likes various types of music, popular music has a lead over the rest. The song which is number one on the hit parade, "Poor People of Paris," is also the number one song in Terry's estimation. A member of the Honor Society, "R" Club, orchestra, chorus, and band, Terry lists as his scholastic favorite, physics. Physics shares the honors with solid geometry and English (college prep) which he also likes. A winner of various art awards, Terry considers art as his hobby and after finishing at R. H. S. he plans to go to college and pursue a career in commercial art. (Who knows, maybe we're talking to another Van Dyke!) As a favorite color, Terry chose the very bright chartreuse. A one-time owner of a parakeet who got away, Terry is still the owner of "Pep", his dog. As a secret ambition, Terry would like to play professional basketball—this is not impossible, y'know!!

Let's Read

Let's start this next-to-the-last six-weeks off right, and read at least one book every week, and don't forget to report on it.

These last two six-weeks will certainly count a lot on our semester grades so—"a word to the wise is sufficient"—I hope.

Girls:

MARCY CATCHES UP

By Rosemonde du Jardin

Mrs. du Jardin always makes this column it seems, but not without reason. This time she continues with Marcy, who takes a vacation on a Colorado ranch, meets "Older Men" of twenty, gets proposals of marriage, and goes home a wiser, more mature girl than when she left. Boy, was her brother surprised at the change! So was a certain wolf of a pilot.

Boys:

RUN SILENT, RUN DEEP

By Commander Edward L. Beach, USN

This book tells a story of the silent service—the submarine crews who destroyed the Japanese merchant marine. It is supposed to rank with books such as BATTLE CRY, AWAY ALL BOATS, etc.

Everyone:

THE OLD MAN AND THE SEA

By Ernest Hemingway

This book is supposed to be a truly great one. It has a different style from his many others. It won the Nobel Prize for literature in 1954.

THE SEAKING

By Will Thomas

This is a true 20th Century autobiography of a colored family who had lived a lifetime of prejudice in the United States. After a promise of freedom offered by World War II failed to materialize, they decided that they must live outside of the United States if they ever want to live and raise their family as free human beings. However, instead of going to Cuba they stayed in the United States in Vermont. Why? Read and find out. It's a good story.

Pep Club

This year the Pep Club is one of the most active organizations at Roxana High. Even though the football and basketball seasons are over the Pep Club is still active. Presently they have bought new red-topped socks for the basketball boys, so we ought to have a nice bright basketball team next year thanks to the Pep Club.

They are also working on sorting out all the active members of the Pep Club for pictures. Presently the Pep Club has been selling yellow and blue beanies with red letter "R's" on them. With Kay Gullickerud as president, the Pep Club has done much this year in helping Roxana High have a better school spirit than ever.

SECURITY

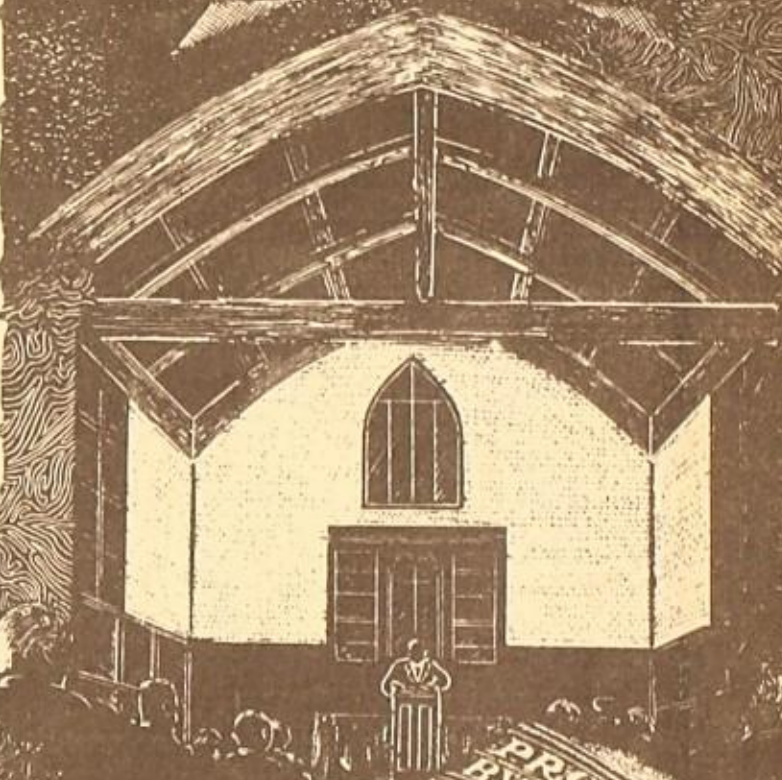

Through eons of time man has sought *security*—for himself, his family, his community, and his country. This quest for *security*, molded into the first man created on earth, has had a rebirth with each succeeding generation. A *security* we have, as Americans, in greater abundance than any nation on earth, and cherish as priceless—yet this *security* has had its price—a price Americans have been paying since the first brave settler set foot on this continent, to be followed by future generations of rawboned pioneers, pushing back the frontiers of a vast unsettled wilderness.

Thus far in life you have been given *security*—as an infant by your mother's care—later by the warmth of your father's home, your church, your school, your neighbors, and now the *security* of a good start on life's journey, gained from a liberal education, in creditable schools, in a free land.

Now as you are being graduated, standing on a threshold of a journey through life, the *security* granted you in the past becomes one you must earn and protect for yourself, your family, and fellow Americans. The scroll of American history records for us the courageous men who have given their lives to preserve this *security*, and the countless others who devoted their lives to develop a system of free enterprise, so you—their descendants—might have the right to seek and earn further *security*.

The industries in your community contribute immeasurably to this treasure of American *security*. Perhaps one day some of you may, by your endeavors and association with one of these industries, contribute to the greatness of American *security* for all.
